

BTA TRC Grant Application Form

To redress the legacy of residential schools and advance reconciliation, in its final report the Truth and Reconciliation Commission of Canada called on governments, **educational** and religious institutions, civil society groups and all Canadians to take action on the 94 Calls to Action it identified.

As educators it is upon us to learn and teach the truth - it is upon us to respect and embed indigenous perspective into the curriculum. A Truth and Reconciliation Event should be a Call to Action - it should include plans for change that will become evident in future generations.

The BTA offers grants of up to \$500.00 to schools planning a school wide event on the topic of Truth and Reconciliation.
